# Fundraise for New Reach

Fundraising events are a great way to bring friends together, increase awareness about homelessness, and raise funds to support New Reach!

## HERE IS JUST A FEW OF THE FUNDRAISING IDEAS:

**Host a fundraising drive for gift cards:** New Reach is moving more families and individuals experiencing homelessness into permanent housing than we've ever had before. Gather your friends, family, and coworkers to collect much needed gift cards that will ensure the families and individuals will have everyday items that we all need. We're always in need of Stop & Shop, Shop Rite, Target, and Walmart gift cards.

**Host a party:** Talk to your favorite shop or restaurant about hosting a benefit and donating a portion of proceeds to New Reach. Or invite friends over for dinner or a party share the story of a New Reach program participant.

**Your Birthday:** Why not give up your gifts and ask for donations instead? Make this year special. Celebrate your birthday and a great cause at the same time.

**In Honor Of:** Celebrate the memory of someone you love by raising money for a cause they care about.
