

Volunteer for New Reach

The more we give, the happier we feel. Volunteering increases self-confidence. You are doing good for others and the community, which provides a natural sense of accomplishment. Your role as a volunteer can also give you a sense of pride and identity.

There are countless ways to volunteer and make an impact in someone's life. New Reach has many opportunities for you to get involved. From preparing a meal for one of our shelters or helping our Development Team sort through donations, your impact is limitless.

Contact our Community Engagement Manager: mgrande@newreach.org for promotional materials and for brainstorming support.
